Landon State Office Building, 900 S.W. Jackson #1051

Topeka, Kansas 66612-1230

**IN THE MATTER OF  
JILL DENISE WOLFE WALLACE  
f/k/a Jill Denise Wolfe**

**License No. 13-119445-041****KSBN Case No. 2020-350-6****SUMMARY ORDER**

The above matter comes before the Kansas State Board of Nursing (Board) pursuant to authority granted to the Board by K.S.A. 65-1120. The Board hereby proposes to find facts and take disciplinary action against the nurse license of Jill Denise Wolfe Wallace, (Licensee) by way of Summary Order as provided by K.S.A. 77-537.

1. Licensee is licensed to practice nursing in the state of Kansas. The practice of nursing in a party state under a multistate licensure privilege will subject a nurse to the jurisdiction of the licensing board and the courts and the laws of the party state in which the client is located at the time the service is provided. The Board has jurisdiction over the Licensee and the subject matter of this action.
2. Licensee's address of record is 920 N. 9<sup>th</sup>, Neodesha, KS 66757.
3. The role of the Board is to protect citizens of Kansas.
4. Pursuant to K.S.A. 65-1120(a), the Board may deny, revoke, limit or suspend any license, certificate of qualification or authorization to practice nursing as a registered professional nurse, as a licensed practical nurse, as an advanced registered nurse practitioner or as a registered nurse anesthetist that is issued by the board or applied for under this act or may publicly or privately censure such person if certain enumerated grounds for disciplinary action are found. These grounds include various specific charges enumerated in K.S.A. 65-1120(a)(1) to (9), to include unprofessional conduct as defined by the ruled and regulations of the Board.
5. Pursuant to Article V of K.S.A. 65-1166, the Board may take adverse action against a nurse's privilege to practice within the state of Kansas.
6. Pursuant to Article V of K.S.A. 65-1166, the privilege to practice in other jurisdictions, granted by a Kansas multistate license, is deactivated during the pendency of a disciplinary order.

7. Pursuant to K.S.A. 65-1166, the privilege to practice in other jurisdictions, granted by a Kansas multistate license, is deactivated if the Licensee is enrolled in an alternative program, including KNAP.
8. Pursuant to K.S.A. 74-1110 the Board may also assess a civil fine not to exceed \$1,000.00 for the first violation of a law or rule and regulation applicable to the practice for which such person has been granted a license.
9. After an investigation, the Board's investigative committee found reasonable grounds to believe that the licensee violated the Kansas Nurse Practice Act, K.S.A. 65-1120, and referred this matter for further proceedings.
10. K.S.A. 77-511(a)(2)(A) of the Kansas Administrative Procedure Act authorizes the use of summary proceedings by a state agency if the use of summary proceedings does not violate any provision of law, the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties, and the state agency believes in good faith, after investigation of the facts, that the allegations will be supported to the applicable standard of proof.

#### **FINDINGS OF FACT**

11. On or about June 13, 2012, the Board issued Licensee a license to practice nursing in the State of Kansas.
12. On or about February 19, 2020, Licensee obtained a culture from a patient's wound without an order. Licensee debrided a patient when she removed a tendon from the patient's foot.
13. The facility's policies and procedures concerning verbal orders state:
  - a. "[A] verbal order (either in person or via telephone) for medication or treatment shall be accepted only under circumstances when it is impractical for such order to be given in writing by the responsible provider."
  - b. "A verbal order shall be given only to authorized qualified personnel who shall transcribe the verbal order in the proper place in the medical record of the patient."

### **VIOLATIONS**

14. The above fact findings establish evidence that the Licensee violated the following provisions of the Kansas Nurse Practice Act:

**Count 1:** K.S.A. 65-1120(a)(7) and K.A.R. 60-3-110, to be guilty of unprofessional conduct as defined by rules and regulations of the board; to wit: failing to take appropriate action or to follow policies and procedures in the practice situation designed to safeguard each patient.

**Count 2:** K.S.A. 65-1120(a)(7) and K.A.R. 60-3-110, to be guilty of unprofessional conduct as defined by rules and regulations of the board; to wit: performing acts beyond the authorized scope of the level of nursing for which the individual is licensed.

### **IT IS THEREFORE ORDERED BY THE KANSAS STATE BOARD OF NURSING THAT:**

1. Licensee shall pay a civil fine in the amount of \$200.00 pursuant to K.S.A. 74-1110. The fine shall be paid to the Board within 90-days of this Order becoming effective.
2. Within 90-days of this order taking effect, Licensee shall provide the Board with certificates of completion for the following CNEs:
  - a. Legal (3-6 hours);
  - b. Ethical (3-6 hours); and
  - c. The Kansas Nurse Practice Act (2 hours).
